## Double Helix TT Series Dispensing Tips

OK International is announcing the re-launch of the Double Helix TT Series Dispensing Tips. This product is now available in stock for immediate delivery.

In recent months, we have relentlessly fine-tuned our tool design to enhance the performance of the double helix TT dispensing tips. We are now confident that you will find this needle series to be the best in its class.

The Double Helix TT Series Dispensing Tips are recommended for applications where dispensing medium and high-viscosity fluids with a high degree of precision and consistency is required. And for the first time in the industry, the 27-gauge is available to make micro-dots dispensing possible. They are also suitable for dispensing UV cure material.

Please contact your regional sale office for any questions. We very much appreciate your business and look forward to continuing to provide you with high quality products.

Part Number (Pack of 50)	Part Number (Pack of 1000)	Color	Gauge	I.D. (inches)	I.D. (mm)
TT14-DHUV-PK	TT14-DHUV-1000	Olive	14	0.063	1.60
TT16-DHUV-PK	TT16-DHUV-1000	Grey	16	0.047	1.19
TT18-DHUV-PK	TT18-DHUV-1000	Green	18	0.033	0.84
